Carmen and Denise Sacco, proprietors of Sacco SUV Tours, invited the girls at Chandler Reach along with some of their friends on a wine tour of the Yakima Valley. We gladly accepted their offer and, boy, did we have a great time!

Carmen and Denise treated us to a day of "Grape Therapy". They showered us with wonderful customer service and outstanding professionalism.

See if you can tell just how much fun we had...

*We believe in providing a day of "Grape Therapy" where fellow wine tasting enthusiasts can enjoy a personal and friendly wine tasting experience throughout the Yakima Valley, Prosser, Tri-Cities and Walla Walla wine country.*

*We especially enjoy sharing our "Old Fashion Italian" picnic lunch in the middle of the tour.*

*S.U.V. Tours also provides an opportunity to continue spending quality time with Family and Friends in the comfort of Sacco's Guest House located in the Tri-Cities. Weekend Guest House/Wine Tour packages are available.*
